**Welcome to Montage Galleries. We are a furniture manufacturer located in the furniture capital of the world, Hickory, North Carolina.**

We have been in the business of producing high quality furnishings for the trade (Interior Designers, Decorators and Furniture Retail stores nationwide) for over 25 years. With a combined 65+ years of experience in every aspect of the furniture industry, we set our standards to the highest degree.

We only use quality products such as kiln-Dried maple hard wood, quality foam, contract grade webbing or springs, all the way down to the screws, glue and staples to ensure that our product will stand up to the test of time.

We start all orders from scratch; from pattern design, selecting quality hard woods for the frame, frame assembly, foam density and layouts, cut & sew fabric patterns, quality upholstery and final inspection and shrink-wrapped packaging.
